

Hey there Halloween Hero

Here's some **CANDY** for the Hero who buys MX Toner !!!

Because **you ARE a hero** for not wasting money on big brands or cheap refurbis and knockoffs & *every hero deserves recognition.*

You're not scared of 😞 Harth Paper... and you're smarter than to pay for his **BIG ADVERTISING** expense by buying his overpriced toner.

You're buying **green**, brand new, **Made in America** toner.

At Onestop we see **Halloween** as a time for no tricks... just **lots of treats.**

We know how hard you work. And we know nobody else does this for you.

That's why we made a special effort to send you this little bag of **CANDY.**

HAND PICKED

Do you like dressing up for **Halloween**?

Are you going as yourself – a **Halloween Hero**?

Or maybe as an MX Toner cartridge?

Or are you going as a different hero?

I hear 🍷 *Ronda Rousey* 🍷 costumes are pretty popular this year.

She's what they call a bad ah... um... butt. Except they don't say "butt". 🤔

Or is a bad *guy* – like **Harth Paper** 🍷 from the **Print Wars** comics – more your style?

Even if wearing costumes isn't your thing... everybody loves **CANDY.**

Let us know how much you want more YOU want...
