

Hi I'm Paul Keizer

And I'd like to be your mayor of West Lincoln.

There are several reasons I'd like to be mayor... and in other videos I'll tell you about them.

First – I'd like you to know something about me... and about why I'm appealing to you in this video.

I'm quiet... because I'm shy. I'm not a rah rah type guy or a social butterfly.

Some people assume that because I'm quiet... I'm arrogant.

And until they got to know me, a few people even thought I was a conceited pompous ass.

Yet being quiet makes me a listener. And If I'm going to solve the problems that others are ignoring in West Lincoln, I'll use my natural listening ability.

So here's what I'd like you to do...
